Macaroni & Cheese

Macaroni & Cheese is a dish consisting of macaroni noodles and cheese sauce. You can add various ingredients and spices to your macaroni and cheese, such as chopped tomatoes and pre-cooked bacon bits, for a pop of flavor and color. Add these extra ingredients during the second half of cooking for best results.

1/3 cup pasta

Mix the pasta and water in your mug and microwave it on high for 2 minutes.

1/2 cup water

1/4 cup 1% milk

The water may overflow from your mug. That is alright!. Take it out, stir, and check the noodles.

1/2 cup shredded cheddar cheese

1 pinch of salt & pepper

If the noodles are still too firm, add 1 teaspoon of water, stir, and microwave the mixture again for 45 more seconds.

Remove your mug from the microwave and stir.

Stir in half of the cheese and half of the milk.

Microwave again for 45 seconds.

Add the second half of the cheese and milk and microwave for 45 seconds more.

Remove from the microwave and stir thoroughly to mix in the cheese.
