Important Note about Discipline-Specific Appendix Handouts
Appendices must still adhere to the formatting guidelines outlined in this Thesis Manual & Policy Guide (http://launch.tamu.edu/UGR/URS/Resources). The discipline-specific handouts will help you determine how to label and organize your Appendix material. Contact us at ugr@tamu.edu with questions about Appendices.

Many thanks to Stephen Bales, Associate Professor at the Texas A&M University Libraries, for the preparation of this resource.
