March 4-8, 2024	Reserve 1 full week to review and finalize your own thesis. Send your document to your faculty advisor as early as possible.
March 11-15, 2024	Spring Break (Main Campus)
March 18-April 1, 2024	Reserve 2 full weeks to review and finalize your thesis content with your faculty advisor.
March 27-28, 2024	Attend virtual drop-in sessions for thesis formatting help via Zoom.
April 1, 2024 at noon	Deadline: Submit Final Thesis Part 1 in Canvas for formatting approval. Teams: Only primary contacts submit Part 1.
April 1-April 26, 2024	Final thesis review and approval by LAUNCH: UGR staff and primary faculty advisor. Teams: Everyone submits Part 2. Everyone must receive individual approval from primary faculty advisor through the STSS.
July 15-August 31, 2024	Projected OAKTrust publication date for non-embargoed theses

To Do Before Noon on April 1, 2024: Regroup with Your Faculty Advisor

Review the entire thesis

- ☐ Are you using the most up-to-date template per thesis reviewer feedback??
- ☐ Are you citing sources correctly according to your disciplinary style?
- ☐ Do you need and have approval from the appropriate Research Compliance Board for your research?
- ☐ Are all names and departments spelled correctly?
- ☐ Are all contributors acknowledged correctly?
- ☐ Is your thesis formatted correctly? Check your thesis against the Thesis Formatting Guide and blank thesis templates. Formatting should be perfect.
- ☐ Thesis reviewers are doing a last spot check with the expectation that the theses follow all formatting guidelines and are ready to be published.

April 1 Submissions Should Be Ready to Publish

Decide on the document embargo

- ☐ Are you submitting to a professional journal?
- ☐ Do you have a patent under review?
- ☐ Is this sensitive or confidential research?
- ☐ Are you ready to release the document to the public?

Template Reminders

- ☐ Look through the document and remove all help text/comments/track changes/notes.
- ☐ Remove Maroon Help text (in the Styles Pane as well as manually if it gives you trouble).
- ☐ Remove Table of Contents page numbers in footer.
- ☐ Check that the wording of the title matches on title and abstract pages

Submission Process Overview

1. Submit your final thesis as a PDF to Canvas (Part 1 Starts) by April 1 at noon CT.
2. LAUNCH: UGR staff will begin to review submitted theses for formatting only. Your thesis reviewer will contact you if your final thesis document needs corrections (Part 1 Continued) and/or when it is approved.
3. Similar to the installment process, you will work with LAUNCH: UGR staff to correct your document through Canvas, as needed.
4. When your final thesis document is approved, your thesis reviewer will upload the document to the STSS for you. **Further action is required of you, any team members, and your faculty advisor, once you receive the “formatting approved” email.**
5. Once you are notified of your document's approval, you are responsible for logging into the STSS to verify that the correct document has been uploaded (Part 2 begins).
6. You are also responsible for updating your information in the STSS and individually submitting your STSS profile. This includes updating your thesis title, adding keywords and an abstract, and selecting the appropriate embargo (thesis hold) choice (Part 2 continued). All of the information you enter in the STSS at this point will be available to the public once your document is released to OAKTrust.
7. Upon completing your submission, your faculty advisor will be sent a request to review and approve the document and your overall profile (Part 2 complete).
8. Depending on when your final thesis is graded and when your faculty advisor approves your document and STSS profile, this entire process may take between April 1 and April 26.
9. You will receive an email from LAUNCH: UGR confirming that you have officially completed the URS thesis program.

When to Begin Part 2 in the STSS

Only begin Part 2 of the Final Thesis Submission Process after you receive the Part 1 “formatting approved” email.

Note the **DATE** and **TIME** provided to you in the email. This will be your deadline to complete Part 2.

We removed extra line breaks from this message.

Dear Annabelle,

This message confirms your completion of Part 1 of the URS final thesis submission process. The formatting of your document has been approved and you are now ready to move on to Part 2, submission to the Scholars Thesis Submittal System (STSS).

The deadline for you to complete Part 2 is **DATE by TIME**.

PART 2:

We have already transferred your formatting-approved thesis document from Canvas to the STSS. Do not remove or replace this document unless requested by LAUNCH: UGR.

Your next step is to login to the STSS at <https://scholarsthesis.tamu.edu>, update your information, and complete your profile. The information you submit in the STSS is permanent and will be available to the public once your document is published to the OAKTrust Repository.

In the STSS, you will be asked to complete a license agreement, select your document embargo options, enter your abstract and keywords, and verify your document file.

Once you complete your STSS submission, your faculty advisor will receive an automated email prompting them for final approval in the STSS. Advisors should work to approve your document within 2 business days of your completed Part 2 submission.

Process, Part 2: STSS

- The “formatting approved” email will direct you to complete **Part 2** of the Final Thesis Submission Process through the Scholars Thesis Submittal System (STSS), the same online platform through which you submitted the URS program’s proposal and timeline.
- By the time you receive the “formatting approved” email, LAUNCH: UGR staff should have uploaded your approved final thesis PDF in the STSS for you. **DO NOT REMOVE OR REPLACE THE PDF UPLOADED FOR YOU.**
- Next, you and any team members must update your profile(s) in the STSS and verify that the correct final thesis document has been uploaded.
- Remember to keep a close eye out for the **Part 2 submission deadline** listed in Part 1’s “formatting approval” email (this email should arrive within two weeks of the original Part 1 submission deadline).

Process, Part 2: STSS continued

- By completing Part 2 of the Final Thesis Submission Process through the STSS, you are achieving two important tasks:
 1. Requesting approval of your final URS thesis and embargo choice from your primary faculty advisor through an automated email. You will know the approval request email has been sent to your faculty advisor once you receive your own “Final Thesis Submission (Part 2) Confirmation” email.
 2. Entering your own data for input into your OAKTrust thesis profile. All of the information you enter into the STSS during Part 2 of the final thesis submission process accompanies your final thesis PDF on OAKTrust. Take a look at a previous student’s profile as an example and keep the page in mind while completing Part 2 in the STSS:
<https://oaktrust.library.tamu.edu/handle/1969.1/164494>

Part 2: Important Reminders

- Faculty advisors should review theses outside of both Canvas and the STSS, as their approval is expected within 48 hours (2 business days) of a student's completion of Part 2.
- Students will submit to Canvas first (Part 1) AND the STSS (Part 2) only when prompted by their thesis reviewer.
- Students should consult faculty advisors on the appropriate keywords to enter and embargo option to select.
- If your faculty advisor has asked you to submit corrections to your 2023-2024 Undergraduate Research Scholars Thesis after the completion of Part 2, please email us at ugr@tamu.edu to reopen your submission.
- **TEAM REQUIREMENTS:** ALL team members must individually complete Part 2 of the Final Thesis Submission. We recommend that team members work on all parts of the submission process.
- Email us at ugr@tamu.edu with any questions along the way or visit <https://launch.tamu.edu/UGR/URS/FAQs> for answers to common questions.

Body-Focused Repetitive Behaviors (BFRB) are significantly underrepresented in psychology research, and little is known on their characteristics and relationship to self-esteem, despite the serious impairments they cause many individuals. Two hundred and ninety-five undergraduate students ($M=18.61$ years, $SD=0.78$) completed an online survey composed of measures related to BFRB presence and severity, personality, perfectionism, emotion regulation, emotional reactivity, narcissism, and global and contingent self-esteem. There were no consistent patterns of association between BFRB severity and contingencies of self-esteem. However, BFRBs disorder severities were associated consistently with measures of global self-esteem, vulnerable narcissism, emotion regulation, emotional reactivity, and body dysmorphia. These findings suggest that attention to adaptive and maladaptive contingencies of self-esteem for treating BFRBs might be questionable. Instead, attention to maladaptive global self-views and other constructs might be more useful. Moreover an individual approach must be taken in clinical practice when considering the effects of contingencies on a person's disorder severity.

Instructions:

Howdy,

This message confirms that you submitted Part 2 of your final Undergraduate Research Scholars thesis.

Your faculty advisor should have received an automated email request to review and approve your final thesis and embargo selection. Faculty advisors are asked to submit a response within 48 business hours (2 business days) of receiving the review request. The LAUNCH: UGR office cannot fully process your final thesis until faculty advisor approval has been submitted.

If your faculty advisor requests REVISIONS to your final thesis, send an email to ugr@tamu.edu immediately so we can reopen your STSS profile for resubmission.

You will receive a separate notice from LAUNCH: UGR when all approvals have been processed and you have officially completed the program.

Please direct questions to ugr@tamu.edu.

Sincerely,

LAUNCH: UGR Staff

Program Completion and Recognition

How do I know I have completed the program?

Once you have officially completed the 2023-2024 Undergraduate Research Scholars thesis program, you will receive an email with the following subject line:

[Completion Confirmation] 2023-2024 Undergraduate Research Scholars Program

You will also receive a request to complete the URS Program Exit Survey.

Program Completion and Recognition

The availability of your Undergraduate Research Scholars Thesis in the [Texas A&M University OAKTrust Repository](#) depends on the embargo choice you selected during the Final Thesis Submission Process (approved by your faculty advisor).

If you selected NO EMBARGO:

Your thesis will be available no later than August 30, 2024.

If you selected TWO YEAR JOURNAL/PATENT EMBARGO:

LAUNCH: UGR will send an embargo expiration notice to your faculty advisor in two years to request either the release of your thesis or an extension to the embargo. However, your faculty advisor may email ugr@tamu.edu at any time to release the embargo on your thesis.

Program Completion and Recognition

The availability of your Undergraduate Research Scholars Thesis in the [Texas A&M University OAKTrust Repository](#) depends on the embargo choice you selected during the Final Thesis Submission Process (approved by your faculty advisor).

Undergraduate Research Scholars Medallion

Please direct all questions about graduation and distribution of graduation regalia to the Office of the Registrar. Updates will be released to <https://graduation.tamu.edu> as they are available.

LAUNCH Recognition Ceremony

LAUNCH typically hosts a Recognition Ceremony for graduating seniors. Updates will be released as they are available.

Program Completion and Recognition

Transcript Notation AFTER Graduation

Institutional Honors: Undergraduate Research Scholar

Commencement Program Notation

Undergraduate Research Scholars

The Undergraduate Research Scholars program provides motivated undergraduates the opportunity to engage in quality, in-depth research experiences. Over two semesters Scholars work with faculty mentors to produce a formal undergraduate research thesis and a public presentation of their research results.

FYI – Other Recognition May Apply

Honors Fellows

Students graduating with Honors Fellows must have completed at least 30 hours of Honors course credit, including 9 hours in the University Core Curriculum and 12 hours in 300-400 level courses. Additionally, all Honors Fellows have completed a capstone project. Honors Fellows are required to remain active with the Honors Student Council and make an annual update to their ePortfolios. Students must maintain at least a 3.5 cumulative Grade Point Ratio with at least a 3.25 Grade Point Ratio in Honors coursework.

Questions about other recognition or graduation regalia can be directed to honors@tamu.edu.

Latin Honors

Students graduating with Latin honors distinctions have enrolled in and successfully completed a minimum of 60 undergraduate semester hours required for the baccalaureate degree. The category of Latin honors attained is determined by grade point ratio of all college hours attempted, excluding transfer hours. The categories are as follows:

Cum Laude: A student may be graduated *Cum Laude* with a Grade Point Ratio of 3.50 to 3.699.

Magna Cum Laude: A student may be graduated *Magna Cum Laude* with a Grade Point Ratio of 3.70 to 3.899.

Summa Cum Laude: A student may be graduated *Summa Cum Laude* with a Grade Point Ratio of 3.90 or above.

Honors Stoles

Texas A&M undergraduates who complete the requirements for any of the distinctions listed above or for college- and departmental-level honors programs are awarded a gold satin stole to wear with their commencement robes. The university presents the stoles to honors graduates in recognition of their accomplishments.

Faculty Advisors

Part 2: STSS Faculty Instructions

1. Students submit final theses to Canvas (Part 1) by April 1 at noon.
2. Thesis reviewers review final theses submitted to Canvas. Documents may be returned for corrections.
3. When thesis reviewer approves final thesis, they will upload the document to the STSS for the student.
4. Students are responsible for logging into the STSS to verify that the correct document has been uploaded.
5. Students are also responsible for updating their information in the STSS and individually submitting their STSS profile. Upon student submission, faculty advisors will be sent a request to review and approve the document as well as the student's overall STSS profile (including keywords and embargo selection).
